

EXTENDED FAMILY ADDRESS FORM 2011-2012

SPARK programs rely on donations from all of the people who care about the education of a student at Neil Cummins Elementary and/or Hall Middle School. This includes students' immediate families, as well as their extended families.

Please consider sharing with SPARK the names and addresses of grandparents and other special friends and family members who might be interested in making a gift to SPARK in honor of their special student(s).

If instead you prefer for SPARK to email you the appeal to forward to your extended family member(s), please indicate that below.

SPARK will send one letter during the 2011-2012 school year to extended families, describing the importance and effects of the school programs made possible through SPARK and encouraging them to make a tribute gift.

Donations of any amount will make an impact on their loved one's education.
